An exciting BDSM trilogy including Brittany's Master, Simon Says and Taught A Lesson. Brittany's Master: Rich girl Brittany is used to getting everything she wants. When she discovers a sex store with live demonstrations of sex toys including BDSM equipment, she can't resist the chance to fulfill her fantasies of becoming sexually submissive. Unfortunately for Bridget, she is discovered by someone who knows her father and uses that knowledge to his advantage. His blackmail leads Brittany down a dark path that she never foresaw, culminating with her descent into stripping and becoming a hooker. This BDSM story proves "be careful what you wish for" and its consequences. Male domination galore throughout this BDSM short story. Simon Says: Vanessa was a successful businesswoman and one of the richest women in America. When she gets involved with supermodel Monica and Simon, she loses control. She is forced to do what Simon says. Blackmailers and love make strange bedfellows, forcing Vanessa's son into a decision that could change the course of his life. Taught A Lesson: Dean Jackson always had the hots for pretty associate professor Kathy. When he catches her having sex with her student, he grabs the opportunity to get her just where he wants her. He blackmails her into doing whatever sexual scenarios come into his depraved mind. This BDSM story of male domination over a submitting female, will appeal to readers who enjoy women being sex slaves to men. It's BDSM erotica at its best. Parental discretion is advised.
