All lifelong friends Lily Cavanaugh and Cameron Greene want is a chance to enjoy the Christmas season. What's stopping them? Their matchmaking parents who seem determined to set the two of them up on some of the worst blind dates in the history of dating.

They've identified the problem and have come up with the perfect solution - they will pretend to be dating in order to get their parents off of their backs and finally have a chance to enjoy a peaceful Christmas.

It was a simple concept; spend some extra time together pretending to like one another. But neither of them expected long-hidden desires to come to the surface or that a pretend relationship could suddenly feel very real.
