Pensamiento Filosófico en la Universidad San Marcos (1869-1909): Un primer acercamiento (Spanish Edition) Helí Alejandro Córdova, Ernesto Llanos, Edmundo Roque

El presente trabajo reconstruye la memoria del pensamiento filosófico elaborado en la Universidad Nacional Mayor de San Marcos entre 1869 y 1909. Sobre la base del análisis de textos académicos (tesis de grado, manuscritas y publicadas por los estudiantes de aquella época), se plantea un juicio crítico de las orientaciones fundamentales de la producción filosófica nacional en aquel periodo. Este análisis dio como resultado la elaboración de cuatro artículos en donde presentamos un primer acercamiento a la filosofía peruana de la segunda mitad del siglo XIX.
