**Shadows on Snow: A Flipped Fairy Tale (Flipped Fairy Tales)** Starla Huchton

Once upon a time, a dark evil crept into my kingdom, stealing my loved ones and the happy life I knew. The world turned against me, and I swore to become stronger, to keep myself safe.

Once upon a time, there was a handsome prince, hair dark as ebony, skin as pure as the freshly driven snow, and I became the only one who stood between him and death.

Once upon a time, our stories intertwined, and now, healing my heart may be the only way to save us all from the evil that threatens to destroy what little we have left.
