*What happens at Comic-Con, stays at Comic-Con...*

Robotics engineer Jenny Nguyen has given up on finding Mr. Right. So when her brother and his husband approach her to act as surrogate for their child, she sees it as her only chance to have a child and accepts. One week after she initiates the process, however, she meets a man who gets her heart pumping for all the right reasons and gives into the temptation. When the test turns positive, she's believes she can't handle both the pregnancy and dating, but she underestimates how persistent Daniel Kelly can be.

When surgeon and gamer-geek Dan meets a pretty woman dressed as a Sailor Scout at Comic-Con, a roll of his lucky twenty-sided die tells him he should take a gamble on her. One night of passion leaves him longing for more, but Jenny's refusal to return his calls afterward leaves him wondering if the attraction was one-sided. An accidental discovery of her pregnancy has him convinced the baby is his, and he'll stop at nothing to win her heart.

Warning: Contains sexy cos-play, naughtiness on the Iron Throne, a true tiger mom, a twenty-sided die calling the shots, and multiple geek references to Star Wars, Star Trek, and Lord of the Rings (among other things).

*She has the scoop of a lifetime, but only if she betrays his trust...*

Ethan Kelly lost his best friend and bandmate to an overdose, but staying clean is proving harder than he thought it would be. His only safety net during his first weeks of sobriety is fellow recovering addict, Becca. As she guides him through the darkness, he begins to trust her not only with his secrets, but also his heart.

After years of trying to be the daughter her socialite parents wanted her to be (and failing miserably), Rebecca Shore finally has her life on track. Sure, she's just an assistant at Moderne magazine when she'd rather be pursuing more serious journalism, but it's a foot in the door. She's just waiting for the scoop of a lifetime that will take her to the next level. But when she's asked to help the reclusive and enigmatic rock star, her heart is torn between the career she's always wanted and the man who bares his soul to her.

*He has all the right moves to get past her defenses...*

All-Star linebacker Frank Kelly is as well-known for his off-the-field hits as he is for his on-field ones. When a dance club brawl ends with him in handcuffs again, he's rescued by a well-connected woman who can get the charges dropped in exchange for a small favor. If he'll agree to play the part of a doting boyfriend for

two months, she'll keep him out of the slammer and help restore his reputation.

Kiana Dyer may be the daughter of a Hall of Fame football player, but the charity organization she took over when he died isn't getting the media attention she'd hoped for. A staged romance with Frank Kelly is just the ticket she needs to get in the spotlight. As the lines between fake and real start to blur, she begins to wonder if bailing him out was the best call she's ever made. Just when everything seems to be falling perfectly in place, scandal surrounds her charity, and she's the one left scrambling to clear her name.
