Commander of the Faithful: The Life and Times of Emir Abd el-Kader

John W. Kiser

Commander of the Faithful: The Life and Times of Emir Abd el-Kader John W. Kiser

"A dramatic story . . . any number of episodes could inspire novels . . . impossible to read without thinking of more current events."—*The New York Times*

"A valuable and timely reminder . . . of that rare figure: a bridge between East and West."—*Times Literary Supplement*

This well-researched and compelling biography of the Muslim warrior-saint who led the Algerian resistance to French colonization in the mid-nineteenth century sheds light on current US involvement with a global Islam. The most famous "jihadist" of his time, Abd el-Kader was known equally for his military brilliance and his moral authority. His *New York Times* obituary called him "one of the few great men of the century."
