Even math can be fun for young children!

This is a delightful book of numbers, animals, coloring, drawing, kitties, dogs, bunnies, silly birds, funny bees, ice-cream cones and math! We call it Fun-Schooling! Learning should be fun. If this is your child's 1st math book, she will not have negative feelings about math! It is very important to present math in a fun and positive way at the very beginning.

After publishing a series of Fun-Schooling Activity Books and Homeschooling Journals for big kids we realized that the little kids were feeling left out. They have been tempted to color in Fun-Schooling Journals that belong to the big brothers and sisters.

Now your little girl can have a Fun-Schooling book on her own level. It's so FUN that your big kids are going to try to get a hold of it!
