For the Love of Death (#7): Dark Dystopian Paranormal Romance (The Death Series) Tamara Rose Blodgett

From the *New York Times* bestselling author of *A Terrible Love*....

Dark dystopian fantasy meets paranormal romance in a chilling tale of humans who possess extraordinary powers, and the government's covert efforts of exploitation and control...

Enjoy the first installment of three, in The Death Series spin-off, featuring both beloved former characters and an entire new cast...

The year is 2049 and in the new dystopian order, the Randoms have risen to the top. Because of the Helix Complex and their illicit use of mass sterilization, Earth faces dire consequences. The virulent Zondorae concoction of 2030 made many who could have children into mules. Now middle-aged, Death's children do their best in a world where technology and paranormal powers collide in a mix of tragedy and circumstance. Those in power have raised zombies for the slave trade.

Paxton and Deegan Hart are grown and on the radar for those that understand how critical they are for future exploit. The tight-knit circle of friends are forced to network for solutions to the depravity that has taken hold.

Can the original group protect a new talent, so dangerous it shouldn't exist? Will the new generation of Randoms find a solution for propagation, or will their power base cannibalize those who choose harmony over greed?

FtLoD is a spin-off full-length novel of the original Death Series, 1-6. New adult fiction, 17+
