Immerse yourself in the dark and dangerous world of the Winchester brothers...

Descend into the delicious detail of demon hunting and deadly mysteries...

Join the authors of *Hunted* on an in-depth voyage of discovery as they follow Sam and Dean Winchester through three seasons of hunting things and saving people; searching for their dad and dealing with their personal destinies; while never losing sight of the most important asset in their war against supernatural monsters — their own family. And, where Dean's concerned anyway, where the next hot chick carrying a cheeseburger is coming from.

The journey also takes in the making of the series: the goofs, the actors' comments and the writing decisions — good and bad — while providing a critical commentary on all aspects of the show: from the clothes and the music, to the car and the guest stars.

Let *Hunted* be your guide to the world of *Supernatural*, and learn how to hunt demons the Winchester way.
