Today, there are over two million members of Alcoholics Anonymous. It's a life-saving fellowship. But who started it, and when? Most people know about the co-founders, Bill Wilson and Dr. Bob Smith, who met in 1935 and formally launched AA. But who are the other "key players" in the history of AA? Well, there's Dr. William Silkworth, Bill's doctor at Towns Hospital. And Marty Mann, one of the first women in AA, and the founder of the National Council on Alcoholism. And Clarence Snyder, who started the first AA meeting in Cleveland. And many more fascinating men and women. **Key Players in AA History** by bob k not only tells us about these people, but in the process also provides a fresh understanding of the fellowship of Alcoholics Anonymous. The book is well researched and a true pleasure to read. As Ernie Kurtz and Bill White put it in the Foreword: "The profiles crafted by bob k are drawn from multiple sources and presented in an engaging manner accessible to all those interested in the history of AA. So let the stories begin."
