**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

**Used by over 1.5 million science students, the Mastering platform is the most effective and widely used online tutorial, homework, and assessment system for the sciences. The eText pages look exactly like the printed text, and include powerful interactive and customization functions. This is the product access code card for MasteringEnvironmentalScience™ with Pearson eText and does not include the actual bound book.**

**Essential Environment: The Science behind the Stories, Fourth Edition** engages students with integrated central case studies that provide students with a tangible framework for understanding science in a brief 18-chapter text. Jay Withgott and new co-author Matt Laposata present the latest coverage of environmental science and introduce new FAQ sections to address common student misconceptions. Now with MasteringEnvironmentalScience including activities written by the authors, your students will arrive better prepared for class.
