Mothers Unite!: Organizing for Workplace Flexibility and the Transformation of Family Life Jocelyn Elise Crowley

In *Mothers Unite!*, a bold and hopeful new rallying cry for changing the relationship between home and the workplace, Jocelyn Elise Crowley envisions a genuine, universal world of workplace flexibility that helps mothers who stay at home, those who work part time, and those who work full time balance their commitments to their jobs and their families. Achieving this goal, she argues, will require a broad-based movement that harnesses the energy of existing organizations of mothers that already support workplace flexibility in their own ways.

Crowley examines the efforts of five diverse national mothers' organizations: Mocha Moms, which aims to assist mothers of color; Mothers of Preschoolers (MOPS), which stresses the promotion of Christian values; Mothers & More, which emphasizes support for those moving in and out of the paid workforce; MomsRising, which focuses on online political advocacy; and the National Association of Mothers' Centers (NAMC), which highlights community-based networking. After providing an engaging and detailed account of the history, membership profiles, strategies, and successes of each of these organizations, Crowley suggests actions that will allow greater workplace flexibility to become a viable reality and points to many opportunities to promote intergroup mobilization and unite mothers once and for all.
