Vegas. Elvis. Murder. Love.

What happens in Vegas doesn't always stay in Vegas...

Two novels by two bestselling authors, including:

VIVA LAS VEGAS

by New York Times and USA Today bestselling author Gemma Halliday

The Queen of Hearts: Mary Halligan can't get over her ex-fiancé, can't get a date to her sister's wedding, and can't help being faced with happily ever after everyday at the wedding chapel where she works for an Elvis impersonating reverend.

The Full House: Ella Campbell is a former showgirl turned minivan driving mom who can't quite figure out how it happened that she and her perfect husband are sleeping in separate rooms.

The Ace of Clubs: Kit (just Kit) is a magician's assistant who wishes she could make her attraction for her married boss disappear.

The Straight Flush: David Shepard is a flamboyant showboy with only one thing hotter than his dancing career - his lover's jealous temper.

Four friends. Four different points of view. One story of love, loss and lust in the most decadent place on earth. The only question is, what are the odds of finding true love in the city of sin?

ELVIS HAS NOT LEFT THE BUILDING

by international and #1 Kindle bestselling author J.R. Rain

It's tough being the King.

Which is why in 1977 Elvis faked his own death and endured massive facial reconstruction surgery, and disappeared from the limelight to live a normal life as the unassuming Aaron King. Unfortunately, leaving

fame behind also meant leaving his fortune behind, too, and now Elvis finds himself broke and living in near poverty in a small apartment in Los Angeles. Luckily for him, it turns out he's a pretty good private investigator.

Now in his seventies and contemplating a return to music (discreetly, of course), Elvis is hired to solve a baffling missing person case. A young starlet, at the beginning of a promising movie career, has seemingly disappeared off the face of the earth.

As Elvis digs deeper, he finds himself surrounded by the seedier elements of Los Angeles, from nefarious Hollywood producers who prey upon the young, to twin brothers with a very dark secret.

And as Elvis pieces the bizarre puzzle together, he slowly makes his singing comeback — and will be reunited on stage with someone even the King himself never dreamed possible.

Acclaim for the authors:

"Gripping, adventurous, and romantic — J.R. Rain's *The Lost Ark* is a breakneck thriller that traces the thread of history from Biblical stories to current-day headlines. Be prepared to lose sleep!"

—JAMES ROLLINS, international bestselling author of *Altar of Eden* and *The Doomsday Key*

"I enjoyed this immensely. The protagonist, Samantha Moon, is a female vampire with a husband and children. Those predate her condition; six years ago she was attacked by a vampire and rendered into one. Now she's trying to carry on with family and private eye business, and she's a feisty, skilled person, so is doing mostly okay. It is not a horror story; she buys animal blood to eat and doesn't generally prey on humans. But her husband has an increasing problem with her coldness — not of spirit, but of body. 'You sicken me and scare the hell out of me,' he tells her. 'And when I touch you it's all I can do to not gag.' She replies, 'Words every wife wants to hear.' I love this! What makes it special are her character and nature."

—PIERS ANTHONY, New York Times bestselling author of *A Spell for Chameleon* and *On A Pale Horse*

"Stylish... nonstop action...guaranteed to keep chick lit and mystery fans happy!"

—Publishers Weekly, starred review on Gemma Halliday's *Spying in High Heels*

"A winner...fast-paced style, interesting characters and story meant for the keeper shelf. 4 1/2 stars!"

—Romantic Times on *Spying in High Heels*

"*Spying in High Heels* is a saucy combination of romance and suspense that is simply irresistible."

—The Chicago Tribune
