**Children's Book About Space: A Kids Picture Book About Space With Photos and Fun Facts** Jasmine Williams

Jasmine Williams is pleased to present her new picture book for kids. This easy reading book for children contains fun facts about Space in detail among the content of, Children's Book About Space: A Kids Picture Book About Space With Photos and Fun Facts.

This delightful picture book for children, ages about 4-10, contains a variety of fun facts about space and contains wonderful graphic images to accompany the story. It offers interesting facts, in simple language, and although appropriate for all these ages, for the 4 year old to early second grade, it will probably need to be viewed with a parent.

Students will encounter new words and concepts. They'll read about some aspects of space that they may not have known about, like what is a shooting star, the solar system and meteorites. Other subjects in the book include, facts about galaxies and comets. In addition, the end of each chapter gives your child more information in the form of a factoid under the heading; More Space Talk...

The images in the book are primarily colored Photographs that are stunning if read with a Kindle Fire or the Kindle Application on one of the tablet devices or the PC. Black and White readers will be also see them clearly but will just miss the added dimension available. Children will also find answers to kid-style questions like;

How is a star formed?

What is a galaxy?

What is the difference between shooting stars and meteorites?

Teachers and homeschooling parents will find this book a wonderful addition to their nonfiction libraries. It provides selected passages on an assortment of subjects. Science facts, history facts, and cultural facts are all presented for the young reader. Great illustrations bring the text to life.

The main subject of this eBook is to let your children explore space making this a fantastic addition to every child's library, whether on the child's reader or a parent's or grandparent's reader. It also makes a fantastic addition for reading in the car.
