Pediatric Education for Prehospital Professionals (PEPP) represents a comprehensive source of prehospital medical information for the emergency care of infants and children. PEPP is designed to give prehospital professionals the education, skills, and confidence they need to effectively treat pediatric patients. Developed by the American Academy of Pediatrics, PEPP specifically teaches prehospital professionals how to better assess and manage ill or injured children. PEPP combines complete medical content with dynamic features and an interactive course to better prepare prehospital professionals for the field. The one-day BLS course is geared towards First Responders and EMT-Basics, while the two-day ALS course is for EMT-Intermediate and Paramedic providers.
