The Dali Theatre-Museum from Figueras Antoni Pitxot

This book offers a photographic vision of the true Dalinian space. "I want my museum to be a single block, a labyrinth, a great surrealist object," Dali said. "It will be a museum that is theatrical to the extreme. Those who come to see it will leave with the feeling they have been dreaming. Offering a unique insight into the last great design of Dalinesque genius, this book was produced from the first-hand knowledge of its authors. It is a guide to introduce us to the personal and chaotic, imaginative, labyrinthine and ever creative world of Dali.
