The Experience of God: Orthodox Dogmatic Theology, vol. 3, The Person of Jesus Christ as God and Savior Dumitru Staniloae

In this, the third volume of *The Experience of God*, Fr. Dumitru Staniloae's *Orthodox Dogmatic Theology* (the third half-volume of the Romanian original), we find his treatment of Christology, of the Person and work of our Lord Jesus Christ. At first sight, it seems a very traditional treatment biblical witness of both the Old and New Testaments, the patristic witness, the theology of the Incarnation, and then a treatment of Christ's work as Prophet, Priest, and King but the traditional structure ... disguises an account of Christ that, though certainly deeply traditional and Orthodox, is challenging and even revolutionary in its approach.
