The God Who Sees Me: Single Moms of the Bible and Their Lessons For Today Stephane Paul

In The God, Who Sees Me, you will see how God provided for three single mothers in the Bible: Hagar, the widow in Zarephath, and the widow with the oil. All three women struggled with many of the same issues single mothers struggle with today: child support, tight budgets, debts, and not being able to give their children everything they need. In each woman's story, you will see how God provided for these women and their children. Through the examples of the Biblical single mothers, this book will encourage you to have faith in God and know that He is with you on the single mom journey. He can be your provider, protector, and companion if you simply let go of everything holding you back and turn to Him like these women did.
