Months--and sometimes years--of planning go into creating the perfect wedding. But when the last piece of wedding cake is eaten and the rice is thrown, many couples realize they've not put much thought into their honeymoon. Because it's imperative to let the honeymoon and sexual relationship for a couple set the tone for their life as a couple together, two respected physicians draw from their extensive premarital counseling experiences to compile this invaluable guide of honeymoon essentials.

It's all here--from birth-control options and a calendar for travel arrangements to medications to have on hand and God's design for the honeymoon. There are even ideas which will help each couple assemble a custom "honeymoon kit." Bride's Eyes Only and Groom's Eyes Only chapters offer solid advice for the sexual relationship. A one-week devotional section with daily reflections for the first week as husband and wife will help launch any marriage with the right spiritual foundation. The time couples invest in preparing for this important week of marriage and life together will reap years of rewards!
