The Wise and Foolish Builders: Poems Alexandra Teague

A chilling exploration of American progress and its consequences, featuring Sarah Winchester (the rifle heiress) and her unsettling Mysterious House, with cameos by Houdini, Annie Oakley, Oliver Winchester, Calamity Jane, Buffalo Bill and others.

This chilling new collection by the author of *Mortal Geography* (winner of the California Book Award in poetry) is a verse exploration of American progress and its consequences, featuring rifle heiress Sarah Winchester and her unsettling Mystery House, with cameos by Harry Houdini, Annie Oakley, Calamity Jane, Buffalo Bill and many other fascinating figures. Steeped in history yet wildly imaginative, these poems commune with Winchester's haunted legacy and that of westward expansion, connecting voices from a troubled past with their irrepressible present-day echoes. *The Wise and Foolish Builders* is an unmistakable accomplishment by a poet of remarkable formal skill and fantastic originality.
