#### **John Keaney:**

As a university student exactly feel bored to be able to read. If their teacher requested them to go to the library as well as to make a summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word

says, ways to reach Chinese's country. Therefore this Human Energy: A Critical Factor for Individuals and Organizations can make you sense more interested to read.
