"Well, thanks for everything, but I'm not in the market for a mate right now, so you'll have to find another girl."

Working at her company's trade show is the perfect way for Sara to spend the weekend, while her ex-boyfriend packs up and moves. After finding that Angelo is into drugs, she kicked him out of her apartment and her life. Good riddance. She doesn't need a man in her future. But when a menacing thug comes to her booth looking for Angelo, a deliciously hot guy chases him away and wants to keep an eye on her.

Ryan is supposed to maintain a low profile and hunt down the leader of a criminal gang. But he intervenes when one of the gang members confronts Sara, the woman his heart claims is his mate. He tries to protect her and persuade her they're meant to be together, but she doesn't want his help and isn't convinced they're mates. Even when she sees his tiger self and they share a passionate kiss, she clings to her independence, not ready to be hurt again.

Ryan must show her his love, and prove that being a tiger's mate is a destiny she is born to follow.

Each book in the **The Tiger's Protection** series can be read as a **standalone** and has a **guaranteed HEA, no cliffhanger!**
