When Emily receives an e-mail from her estranged childhood friend, Ali, she instantly looks forward to reading what it has to say. She hasn't seen or heard from Ali in a very long time and hopes that they can begin to rekindle the perfect friendship they once had.

But when Emily opens the e-mail, she finds it isn't the friendly message she had hoped for. Instead, it is a desperate plea for help from Ali to tell Emily she could be in danger.

Growing increasingly concerned for Ali's safety, Emily is forced to return to the seaside town where she and Ali had grown up. The same town that she had fled from over fifteen years ago, when she had sworn she would never return.

Once back there, Emily is quickly thrown into a game of cat and mouse, where she must follow the clues to help her old friend. But time is against her and she is constantly looking over her shoulder.

It appears Emily isn't alone, and must hurry before her past finally tracks her down...
