Now in its 7<sup>th</sup> edition, this popular, must-have text remains the only encyclopedic resource for veterinary internal medical problems. The internationally acclaimed "gold standard" offers unparalleled coverage of pathophysiology, diagnosis, and treatment of diseases affecting dogs and cats, as well as the latest information on the genome, clinical genomics, euthanasia, innocent heart murmurs, hyperbaric medicine, home prepared and raw diets, obesity, botulism, artificial pacing of the heart, cancer vaccines, and more. The 7<sup>th</sup> edition combines the convenience of a two-volume printed textbook with the enhanced functionality of an Expert Consult website that enables you to electronically search your entire book and study more efficiently. With instant access to the most reliable information available, you'll always be at the forefront of veterinary care!

- Fully searchable online text provides fast, easy access to the most reliable information in the field.
- More than 150 clinical algorithms throughout the text aid in disease-identification and decision-making.
- Expanded online chapter content enhances your understanding through additional text, illustrations, tables, and boxes.
- Hyperlinked client information sheets streamline reference of specific conditions and enhance communication with clients.
- Extensive online reference list directs you to full-text PubMed abstracts for additional research.
- Thoroughly updated and expanded content, including 90 new chapters, addresses the latest developments across the full spectrum of small animal care.
- Companion Expert Consult website enhances your learning experience with the ability to search the entire electronic text instantly for easy reference. Expert Consult also gives you instant access to:
  - More than 150 procedural videos that guide you step-by-step through essential procedures.
  - Audio files that help you identify heart abnormalities by their sound.

Your purchase entitles you to access the web site until the next edition is published, or until the current edition is no longer offered for sale by Elsevier, whichever occurs first. If the next edition is published less than one year after your purchase, you will be entitled to online access for one year from your date of purchase. Elsevier reserves the right to offer a suitable replacement product (such as a downloadable or CD-ROM-based electronic version) should access to the web site be discontinued.
