Creating Excellent Relationships: The Power of Character Choices Susanne M Alexander

One factor works better than all others to create happy relationships: two people with excellent and compatible characters. This book is your vital guide to knowing and developing your own character and skillfully observing character qualities in a partner. This book provides:

- Ways that excellent character choices relate to family interactions, friendships, couple activities, communication, equality, spirituality, sex, and more
- Detailed guides for understanding qualities such as honesty, kindness, compassion, courage, commitment, helpfulness, patience, respect, and more
- Practical components for learning, such as activities, reflections, and worksheets
- Wisdom through quotations from diverse character and relationship experts and multifaith sources
