Updated edition of the most straight forward, hardcore and direct guide to Tinder available... In *Online Dating: Expert Tinder Strategy* Player Mastermind introduces you to the most efficient methods of using online dating apps like Tinder and Happn to have casual sex and even group sex with different women without wasting your time in going through loads of needless conversations or unnecessary dating rituals. For the first time and after repeat requests, PM has revealed his whole knowledge and game-plan that allowed him to completely boycott all dates, have girls talking dirty to each other over the phone, have threesomes at his place and in public, and not spend any money or waste any significant amount of time in the process. In this book, you will learn the following:

- The differences between offline and online dating and how that should dictate how you use phone apps
- The ways that women use Tinder and how this crucially determines whether your profile is letting you down or not
- The real ways of identifying a strong profile and leveraging it to your advantage
- How to cut out chit chat and wasted time that prevents you from meeting your best prospects before they leave the platform altogether
- How to use other applications to take the interaction to the bedroom rather than needless dating
- How to stand out from the huge crowd of nice guys with your true masculine identity
- How to identify fake profiles, catfish, and other scams that are regularly fooling other men on the app
- How to handle the regular false excuses that women have for coming straight over to your house for sex
- How to set the foundation for taking things to the next level sexually... Right from the very beginning

This is the guide for men looking to take the real direct game online and add an extra abundance of sexual partners to their life without it turning into a full time job of texting, trying to be entertaining, using dumb openers or pickup lines, only to waste too much time for poor results. **What other are saying about Expert Tinder Strategy...** "Great read and very interesting approach...
