No one ever said love is easy. In the third installment of an eBook original serial from the *New York Times* bestselling author of *Ruined* and *Addicted*, Aria and Sebastian discover that building trust might be harder than they ever imagined.

My name is Aria Winston. I've fought desperately to escape the seedy underbelly of Las Vegas. Now I'm on my own, in control of my own life and my own destiny . . . just the way I like it. Until Sebastian Caine changes everything.

Ever since taking Aria under his wing and into his seductive domain, Sebastian hasn't been able to think straight. Their chemistry is intoxicating. Their power exchange is exhilarating. And the sex leaves them both absolutely exhausted. But if there's one thing Sebastian does know, it's that he needs to protect this strong yet vulnerable woman. Because she has depths that are unknown—even to her. Aria has worked hard to establish herself as anything but submissive. That isn't who she is, or who she wants to be. So why does it feel so sweet to give up control . . . and so intense when Sebastian takes care of needs she doesn't even realize she has? But he has needs of his own—and secrets that run just as dark and deep as Aria's.

***Play Me* is intended for mature audiences. Aria and Sebastian's story continues in *Play Me: Real*.**
