The Archer: Songs of Yama, is a mixed media narrative of two characters, Yama and Kathrana, and the journey they share through love. Each narrative sets the stage of their adventure, woven together with Ecstatic Poetry, delivering a story-arch of their truths as Love unveils their Path. Their story takes place in the mythical world of Tasia, a realm that has been under development for the past two years. The short narratives in this book have been written as the first steps into this world, an introduction into this mythical continent and the continued expansion of its people, cultures, and mystical creatures. As the author of this book I hope to share this new world with my readers, and also, continue to lay the groundwork for more literary works based in this mythical universe, inspiring a new generation of imagination. Combining Ecstatic Poetry with Mythical Fiction, The Archer: Songs of Yama is an incorporation of two mediums of spiritual essence, and with diligent craftsmanship, this story aims to capture the hearts of its readers with equal depth and love as it has captured mine.
