The Bend In The Road

An Award Winning Story of Love and Self Discovery

Award winning author, Bruce McMinn takes you on an emotional roller-coaster ride in this story of unforgettable characters, shattered dreams, missed opportunity, and second chances.

Three lives intertwine, weaving a web of misunderstanding and heartache that cripple their ability to find the happiness and love they so desperately need.

Aaron, Emily and KC - each searching for happiness, each struggling with a burdened past, and each coping with mistakes; learn how to live, how to truly love, and how to accept the simple truth that life is filled with wrong turns.

Aaron - Finds the love his family was never able to display in the arms of his high school sweetheart. But he watches his dreams fade as Emily's ambition sweeps her into the frenzy of collegiate social life and beyond. Unwilling to surrender, he pursues a course destined for failure until he realizes the love he's been seeking was always within his grasp.

Emily - Desperate to avoid her mother's fate, she turns away from Aaron for an imagined life of glamour and social prominence. But Emily learns you can't escape your family's background, or the mistakes you've made along the way.

KC - Fearing abandonment because of her mother's death, KC leaves a string of intense, short-lived and meaningless relationships in her wake. Refusing to let down barriers she's built to insulate herself from being hurt; they also keep her from finding love. And the one man she comes to realize she desperately desires comes to her only for comfort and solace from his own shattered dreams.

Spanning two decades and set against the backdrop of college, the turmoil of the Vietnam War, and professional careers, you'll follow these three remarkable characters from the beginning of their journey to the tearful conclusion beneath the sheltering foliage of an old oak tree that stands at the bend in the road.

Read THE BEND IN THE ROAD. You'll laugh, you'll cry, and you'll find a bit of yourself on the pages as Aaron, Emily and KC learn the love of your life and the love of your dreams are not always the same.
