*The Bible Makes Sense* is a unique how-to book about the Bible. Brueggemann proposes that Christians should approach the Bible not as a collection of ancient documents, but as our partner in an ongoing dialogue about our life here and now. This book explains how to enter into this dialogue, how to listen, and how to respond. More than simply introducing you to major themes, Brueggemann reveals an engaging biblical understanding of the world that leads to a life of joy, wholeness, and peace. Suggestions for reflection, discussion, and meditation on particular passages provide outlines for group study and for your own prayerful Bible reading.
