When a wealthy English man-about-town attempts to make advances to the beautiful twenty-year-old debutante Caroline Martin, she haughtily refuses him, thus assuring a remorseless series of punishments. As revenge, the wealthy man orders Caroline's abduction by the members of a white slavery ring who cater to the perverted desires of the aristocracy. Sequestered in a remote Moroccan mountain prison, her new mistress and a sinister assistant begin Caroline's tutelage — an education in sexual submission that will prepare her for her real mentor. Volume II recounts the history of Brigid, who has unwisely caused the prosecution of a wealthy admirer. As retribution, he has Brigid stolen away to the notorious Cambina Alta plantation. Naked and bound before the sadism of Colonel Manrique and the perversities of the Comte de Xantra, Brigid endures the unyielding discipline of erotic enslavement until she is ready to welcome the master who has chosen her.
