The New Meaning of Rich: Four Principles of Wealth That Will Change Your Life Evan Tarver

We live in a world where the true meaning of wealth has been lost.

In years past, a dream of riches was synonymous to Charlie Sheen's character in Wall Street. Today's world is one that no longer fits that dream. Greasy-haired stock brokers who grind their way to the top is not the idea of rich anyone believes in anymore. There is a problem, however, where we lack any other meaning of wealth.

We need to change how we think about wealth. We need to redefine what it means to be "rich." Wealth, defined in this modern age, is a true ownership of your emotions, time, location, and ability to give back. When you follow this definition of wealth, and focus on maximizing each area, the monetary riches follow, 100% of the time, every time.

By reading this book, you will:

- Understand the true definition of wealth, broken down into four Principles
- Learn how to maximize each one of the four Principles of Wealth
- Take action in order to reap the benefits of the new rich
- Become happy, and have monetary rewards follow your happiness

By reading this book and taking action on the advice, your happiness will increase, your satisfaction and self worth will sky rocket, and, oh yeah, your bank account will reach levels you never thought possible.

Every second you delay from turning the page delays your pursuit of ultimate happiness and satisfaction with life. Understand the true meaning of wealth and how it will make you truly rich, in every sense of the word.
