**We the People: An Introduction to American Politics** Benjamin Ginsberg, Theodore J. Lowi, Margaret Weir

The number one text in the field, *We the People* returns in an exciting new Fourth Edition that strengthens the emphasis on the importance of government and politics in our daily lives. Prominently featured are materials related to the attacks of September 11, 2001, and their aftermath, with particular emphasis on government's response and the "War on Terrorism" at home. A new theme—"What Government Does"—deals with this issue and others by demonstrating the relevance of government activities and providing critical analysis of the beneficiaries and effects of government programs.
