Pride and Prejudice meets Veronica Mars in this new Love Me, I'm Famous novella.

Kimberly

I had always thought Owen Whitfield fit the mold of the brainless jock perfectly. Group of idiot friends? Check. Vapid girlfriend? Check. Ego bigger than the moon? Check. As long as he stayed out of my way, coexisting with his kind was doable. Until one day our worlds collided, changing everything. He pissed me off so badly that I had no choice but to give him a taste of his own medicine. Little did I know that my act of revenge would come back to bite me in the ass. How was I supposed to know Owen would turn out to be the best partner in crime I could hope for?

Owen

I never paid much attention to Kimberly Dawson, but I knew who she was. Ice Queen was what we called her. She was gorgeous, no one could deny that. But she was also a condescending bitch which was enough reason for me to stay the hell away from her. She thought I was a dumb jock and that was okay until she came crashing into my life. Against my better judgment, I let her embroil me in her shenanigans, forcing us to spend too much time together. It was my doom. She got under my skin, she was all I could think about. I never thought I would be the knight in shining armor to anyone, not until she came along.
