Means Justifies The End Rick P. Avery

How does a child grow up to become a good person? How do they avoid all the pitfalls that ensnare most people? Author Rick Avery analyzes the theory that end justifies the means, showing that in life it is really the means that justifies the end. He uses his own humorous and touching life experiences to give solid examples of how attitude really matters in life. Avery made his life better with the right attitude, and teaches a bad attitude always sent him backward. Case after case, the means justifies the end.
