Emma

Just when I thought things couldn't get any worse, I met *him*.

Nathan Bright is walking, smooth talking trouble. He thinks he can do anything and *anyone* he wants with a wink of his pretty blues. I don't have time for his games. I'm not going to fall for his fake charm...

Unless I have to spend one more second alone with him. Watching him work, shirtless and glistening, is clouding my good judgment.

All my resolve is fading away. There's nowhere to run and nowhere to hide.

I'm starting to think being *bad* is exactly what I need to feel *good*.

Nathan

Little miss perfect is starting to fall into my trap.

I see her pupils dilate when she looks at me. I hear her breathing get raspy when I'm close.

And that smell...well, I know what that is, too.

I've tempted plenty of women, Emma *shouldn't* be any different...

She might make my heart pound just as much as she makes my d!@# hard, but I'll fix that soon enough. Relationships aren't my thing...

Even if she seems like everything I've ever wanted.

This is a steamy, standalone romance novella with a Happily Ever After. All my bad boys have hearts of gold and will do anything for their women. This book was previously published under the title "Savage Romance" and was part of the *Hot Summer Nights* series. It has since been reworked.
