Status is the continuing story of Chris, experienced academic and freelance graphic designer with Epilepsy, seeking to please his latest client, aspiring author, Nadine, and to achieve a sense of normalcy, even as he adjusts to an unconventional, seizure treatment plan. It is the story of past friend, Michael, who, with each passing day, becomes a distant memory. Meanwhile, Hank, a local church servant, helps Chris acclimate to a new community in York, Pennsylvania. It is the continuing story of Mary Grace, of how, after the big date, Chris discovers she isn't the classy woman he thought she was, or the one for him. It is the story of Greta, of her late, ironic introduction, of Chris's new attraction to her, and of how she fills his existing void. It is a vivid reminder of the transition process, the search for integration, the impact of old and new relationships, and the importance of never forsaking life's endless pursuit.
