Revelation is a closed and unapproachable part of Holy Scripture for many people. It is written in strange symbols and has been abused by many interpreters. The Lamb and His Enemies is an attempt to get serious Bible students into the pages of this beautiful book. Revelation need not be avoided. It is, as the first chapter of this volume insists, a book to be understood. Rubel Shelly has studied and taught the Apocalypse for years. This book is the result of that experience with Revelation and has been written at the urging of those who have been helped by his approach to the capstone of the Word of God. Dr. Rubel Shelly is an author, minister, and the former president of Rochester College. He served as Senior Minister for the Woodmont Hills church of Christ in Nashville, Tennessee from 1978 until 2005. He was named the president of Rochester College in May 2009 and currently serves as a co-minister for the Bristol Road Church of Christ in Flint, Michigan. Rubel has also authored many books, including Book-by-Book Study of the Bible.
