The making of a good neighbor

The best thing between Oliver Barrett and Mackenzie Williams is a fence. Ever since Oliver's new-neighbor gestures were met with unfriendly responses, he's decided to keep his distance. After all, he's in this seaside town to get his life on track again. That doesn't include working hard to get on Mackenzie's good side—no matter how intriguing she may be.

His intentions are put to the test, however, when his dog becomes infatuated with hers. The two crafty canines do their best to break down the barriers between the properties. And where the dogs go...well, the humans must follow! It doesn't take long for a powerful attraction to build between Oliver and Mackenzie. They soon discover that the worst of first impressions can lead to the best possible outcomes....
