Keep students engaged and reduce your prep time with these colorful 160-page consumable notebooks. Each notebook features approximately 36 sorts (lessons) of four pages each plus an accompanying activity. Students study words by cutting, sorting, classifying, and pasting/categorizing them according to spelling patterns, sounds, word families, etc. Lessons consist mostly of sorting cards to encourage hands-on involvement that helps teach students to better recognize letters, patterns, and concepts in new contexts.
