Voodoo is a shadowy business. So is murder.

Shadow, Book 1

Mia LeMay's Creole ancestry spices the atmosphere that permeates her bluesy New Orleans nightclub and sugar-dusted tearoom. But her cloistered world shatters when she witnesses a murder—and she's forced to put her life in the hands of a man she's never met.

A man whose golden eyes hide as many dark secrets as the killer who wants her dead.

Even as Agent Rick Ryder whisks Mia into the teeth of a tropical storm, guilt twists like a knife in his gut. He has a personal stake in keeping the black-haired beauty safe. Once his superiors figure out what he pulled to make sure he's the one watching her back, his life will be worth about as much as hers if he fails.

Deep in the Louisiana mangroves, desire envelopes them like the steamy bayou mist. But there are many things lurking in the shadows. Things that slither. Things that bite. And something evil that's determined to make sure Mia never sees the light of another dawn...

This title has been previously published.

Warning: Contains a sexy federal agent (or is he?) who's a ticking time bomb, and a woman with the bayou in her blood and a wicked way with stiletto heels. Grab your gris gris bag, gaienne, the real bad is comin'!
