From the *New York Times* bestselling author of *From a Droid to a Kill* comes the next Secret Histories adventure...

The name is Drood, Eddie Drood, also known as Shaman Bond. My family has been safeguarding humanity for generations, facing the hidden horrors of the world so you can sleep at night and remain oblivious to the existence of the monstrous nightmares that walk and stalk among us.

Speaking of predatory night terrors, there is a man who gets away with murder. A man who specializes in removing the problems from other people's lives, by killing the people who cause those problems. He operates from the darkest shadows of the hidden world, coming and going unseen. No-one knows who he is, just his *nomme du muerte*. Dr. DOA.

Somehow, this demented doc poisoned me. I don't know how he did it, when or where, but whatever is coursing through my veins seems to be immune to magic cures and treatments. But that's not going to stop me from finding him and whoever hired him and give them both a taste of their own medicine...
