The comic book version of the 20th Century's most famous fictional magician sees print again in Hermes Press' deluxe version of King Features comics' Mandrake the Magician! Lee Falk's newspaper strip, Mandrake the Magician, offered readers, magic, occult and the fantastic and King Feature's comic book version, which saw print during the height of the Silver Age, was a worthy entry into the world of comic books.

This first volume of the complete comic book run of Mandrake the Magician presents the first five comics in the series together with all of the back-up stories printed in King Features' Flash Gordon title. These stories feature artwork by such Silver Age luminaries as Don Heck, Werner Roth, and Andre LeBlanc with scripts by Dick Wood.

Volume One also contains tons of extras including extensive essays on Lee Falk's Mandrake the Magician and the artists who created the comic book series. Also included (in addition to the comic book reprint of the story) is the complete original art to one of the back-up stories.
