Angel Paranormal Romantic Suspense / Urban Fantasy. First book in a four-part series. No cliffhangers.

Anxiety-ridden New York investment banker, Cara Collins, has little to smile about on her 27th birthday between a hostile work environment and her impossible romantic situation with her longtime friend and first love, Dr. Kai Solomon. But before the day ends, she learns she has inherited \$50 million—a windfall that must remain secret or risk the lives of those close to her.

As Cara unravels the truth surrounding her inheritance, she makes a startling discovery: angels walk among the living, and they’re getting ready to engage in a battle that will determine the future of the human race. In the midst of these revelations, she meets mysterious and sophisticated Simon Young, who offers her the promise of romance for the first time since Kai.

But when Kai and his daughter are kidnapped by dark forces, Cara must choose: accept her place in a 2,000-year-old prophecy foretold in the Trinity Stones as the First of the Twelve who will lead the final battle between good and evil . . . or risk losing everything she holds dear.
