He's The One

Timothy James Beck

He's The One Timothy James Beck

From Timothy James Beck, the acclaimed author of *It Had To Be You*, comes his second delightfully witty, thoroughly heartfelt novel as he introduces a Midwestern jock-slash-computer geek who comes to the big city in search of love, career, friendship, and a chance to find out if...

He's The One Something's gotta give for Adam Wilson. The hunky, sweet Midwestern entrepreneur might have a dream job, but his love life is anything but picture-perfect. The guys he dates usually turn out to have criminal records, bankruptcy histories, personality disorders, or wives. And for the first time in his life, Adam is ready to look for Mr. Right instead of Mr. Right-Out-the-Door. But where to look is more the question. It's not like bucolic, sleepy Eau Claire, Wisconsin, is exactly crawling with adorable, uncloseted gay men. Taking a job in New York City is awfully tempting, and when a computer company makes Adam an offer he can't refuse, he packs his flannel shirts and heads east in a hurry.

Like lots of driven, career-focused people before him (Think Marlo; think Mary Richards; rethink the flannel shirts...) Adam tackles the big city with farm-fresh enthusiasm, but the most breathtaking attraction of all is Jeremy, the blond, brown-eyed beauty Adam catches sight of in a Chelsea coffee shop. In addition to a buff bod and a to-die-for face, Jeremy's got a few other attributes like a heart, a soul, and a conscience. Trouble is, he may also have an annoying boyfriend bent on turning the sexy TV actor into the yoga-practicing equivalent of Mother Teresa with better shoes. Now that Adam's sure he's met the love of his life, how can he get Jeremy to fall in love with him? Catching Jeremy is going to take more than Adam's sweet-natured country enthusiasm.
