A Summerville Novel - Always a Bridesmaid 2

A marriage of insanity...

Aria March and Nash Geary's first summer fling ended badly, very badly, and they haven't spoken a civil word to each other since they were teens.

Twelve years later, Aria is back in Summerville, fighting for custody of her little girl, and it sure wouldn't hurt her case to be in a committed relationship. Fresh from a nasty breakup, Nash will do anything to one-up Rachael, the woman who broke his heart a few months ago, even agree to a marriage of inconvenience to Aria March.

But all too soon the line between reality and fantasy begins to blur, and Nash and Aria find there are better things than revenge. There is forgiveness, and sexy second chances with the one who got away.

Fans of Bella Andre, Kristan Higgins, and Susan Mallery will love the Always a Bridesmaid romance series, stories featuring sassy Southern women and the alpha males who love them.

From reader reviews:

Nannie Hernandez:

Book is written, printed, or illustrated for everything. You can learn everything you want by a publication. Book has a different type. We all know that that book is important factor to bring us around the world. Next to that you can your reading expertise was fluently. A guide Keeping You: Always a Bridesmaid will make you to possibly be smarter. You can feel considerably more confidence if you can know about every thing. But some of you think in which open or reading a new book make you bored. It isn't make you fun. Why they might be thought like that? Have you in search of best book or suitable book with you?

Thomas Tritt:

What do you about book? It is not important along? Or just adding material if you want something to explain what yours problem? How about your time? Or are you busy man? If you don't have spare time to complete others business, it is make you feel bored faster. And you have spare time? What did you do? All people has many questions above. They should answer that question simply because just their can do that will. It said that about publication. Book is familiar on every person. Yes, it is correct. Because start from on jardín de infancia until university need that Keeping You: Always a Bridesmaid to read.

Adelina Thompson:

Reading a publication tends to be new life style in this era globalization. With reading through you can get a lot of information that can give you benefit in your life. Having book everyone in this world can easily share their idea. Books can also inspire a lot of people. Many author can inspire their particular reader with their story or perhaps their experience. Not only the storyline that share in the textbooks. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on earth always try to improve their talent in writing, they also doing some investigation before they write to the book. One of them is this Keeping You: Always a Bridesmaid.

Margaret Phillips:

That guide can make you to feel relax. This book Keeping You: Always a Bridesmaid was bright colored and of course has pictures around. As we know that book Keeping You: Always a Bridesmaid has many kinds or variety. Start from kids until teens. For example Naruto or Investigator Conan you can read and think you are the character on there. Therefore not at all of book are usually make you bored, any it can make you feel happy, fun and rest. Try to choose the best book for you personally and try to like reading this.
