If you intend to sell online, then fulfillment by Amazon is for you! If you have not heard of this program, then you now know. There are quite some merchants that have taken advantage of this program offered by Amazon to market their products. This is because of the nice Margins that are associated with using this service. Fulfillment by Amazon has been offering its services for over four years now and is a service that represents the fulfillment of Amazon. This company offers a wide range of services that range from storage of products, shipment of their client's products among others. However, it is important to note that one of the greatest things that make this company services different from the others in the market is the fact that Amazon is present in the marketplace for these particular products. In this case, you get to see your products actively sell in the market. Items that are placed on Fulfillment by Amazon are often eligible for the shipping promotions put up by Amazon. These include free super saver shipping as well as Amazon Prime. It is these two great factors that make it incredibly powerful. This book offers you great insight into Fulfillment by Amazon and what it is all about as well as ways in which you can take advantage of the services that they offer for the sake of advancing your business. Despite the fact that you do not use FBA currently or do not intend to use it in the future, it is important for you to understand how it works and the manner in which your competitors are using it for their businesses as they sleep and earn money!
