**California Babylon** Kristan Lawson, Anneli Rufus

California: the whole world knows it as the mother lode of scandal and celebrity, mayhem and miracles, a place where nearly anything can happen - and does. Giving the lowdown on the most notorious locations across the state, *California Babylon* redefines tourism for the 21st century by guiding you to the places you actually want to see, whether you'll admit to it or not.

Packed with photographs and with easy-to-follow directions to each site, *California Babylon* unveils the real-life filming locations; scenes of rock-'n'-roll debauchery; homes and hotspots where the stars lived, dined, made love and died - and where they still do today. With this detailed, up-to-date guide, you can revisit some of the most shocking, puzzling, glamorous and tragic moments the world has ever known.

Spend the night in the very hotel rooms where Janis Joplin, John Belushi, or Hawaii's King Kamehameha died. See the site where People's Temple leader Jim Jones whipped hundreds of followers into a frenzy. Visit the orphanage where little Norma Jeane Baker dreamed of stardom. Follow in the footsteps of serial killers. Recreate the camera angles for dozens of your favorite films, from *Vertigo* to *Pee Wee's Big Adventure*. With *California Babylon's* help, you can also see:

- \*infamous crime scenes
- \*the homes of screen legends
- \*graves of the rich and famous
- \*assassination sites
- \*abandoned utopias
- \*restaurants and bars frequented by celebrities

Forget the endless malls and beaches! Wouldn't you rather see JFK's secret love-nest, the stage where Michael Jackson's hair burst into flames, or the alley that was the epicenter of prostitution in gold-rush era San Francisco? These are the guilty pleasures you'll actually write home about, and they're what make California the wacky, world-famous, and truly unbelievable place it is today.

#### **Robert Hutzler:**

This California Babylon book is not really ordinary book, you have after that it the world is in your hands. The benefit you have by reading this book is information inside this book incredible fresh, you will get details which is getting deeper you read a lot of information you will get. This specific California Babylon without we know teach the one who reading through it become critical in considering and analyzing. Don't always be worry California Babylon can bring once you are and not make your bag space or bookshelves' grow to be full because you can have it in the lovely laptop even cellphone. This California Babylon having excellent arrangement in word along with layout, so you will not truly feel uninterested in reading.

#### **Evan Reyes:**

As a scholar exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this California Babylon can make you really feel more interested to read.
