Into The Heart: One Man's Pursuit of Love and Knowledge Among the Yanomami Kenneth Good, David Chanoff

Anthropologist Kenneth Good went to the rain forests of the Amazon to study the Yanomami. He found more than one of the few remaining peoples untouched by modern civilization. During more than a decade of observation, Good found himself accepted, indeed virtually adopted, by the tribe and eventually fell in love with a young Yanomami woman. In the process, he made exciting new discoveries about the tribal people and about himself. Into the Heart is the fascinating story of his journey of discovery.
