A Fresh Perspective on Prayer

Is prayer a mighty spiritual weapon or a waste of time? Is it something to be engaged in fiercely, as if wielding a weapon in the midst of a spiritual battle, or is it a just a personal practice to achieve a calmer, more focused and disciplined life? Does prayer really change anything?

Those questions and so many more are discussed inside the pages of this book. The book does not simply offer one writer's perspective on the topic of prayer. Instead, it delves deep into scripture to see how prayer is presented in God's word.

The book offers a thorough study of prayer from a Biblical perspective. Moving from Genesis to Revelation, this book looks at instances of prayer as recorded in the Bible, exploring the who, what, where, when, how, and why.

How did God respond to the prayers? What can be learned from these and how can that knowledge be applied to everyday life?

We pray readers of this book will gain a fresh perspective on prayer, too.
